Our Mission: Helping, Teaching, and Supporting

The mission of DIVA WOW is to help, teach, and support women worldwide in a woman-friendly, non-threatening, encouraging environment by introducing them to shooting sports and a variety of outdoor activities. During the past 15 years, nationally, we have brought thousands of women to the outdoors through clinics, leagues, adventures, hunts, trade shows, charity events, and community outreach. DIVA WOW embodies the spirit of sisterhood – teaching women, many for the first time, about the great outdoors and all it has to offer. A local initiative for the Gulf Coast Chapter is personal protection and concealed carry training.
