

WHAT IS A CLAY SHOOT?

It has been said that a clay shoot is "Golf with Shotguns." If you've done this before, you know this. If you haven't done this before, you're in for a treat. Bushy Creek is located in a pleasant, wooded area of North Baldwin County. After you check in and all have received a safety briefing, you will pack your shotgun and shells into a golf cart with the three other members of your team and head out onto the course.

Under our format, each person will shoot 6 to 8 targets at each station. Bushy Creek has 14 stations, and each person will face a total of 100 targets during the round. The object is to break as many of those clay rascals as you can. Completing the course takes about 2 hours.

While the range is 'hot' we will have plenty of water and soft drinks to keep you hydrated. Once all of the shooters have finished, your entry fee entitles you to have lunch and refreshments, including adult beverages for those who are so inclined.

What would a tournament be without an awards ceremony? After all of the scores have been tallied we will announce the winners in the various categories and distribute the prizes. We anticipate all will be complete by 1:30 p.m., so that you will still have time to go home and mow the grass.

Remember to bring:

- Shotgun and Shells (at least 110 shells)
- Eye and Ear protection
- Shell Bag and, just in case, Rain Gear

WHAT IS SERTOMA?

The Eastern Shore Sertoma Club has served Baldwin County and the Eastern Shore for over 25 years. In an effort to be true to our name (SERVICE TO MAnkind), we raise money for charities that help children in our community. Listed below are a few of the familiar charities the group supports:

DHR – The Care House – Boys Sherriff's Ranch
