SERvice TO MAnkind

About Sertoma

The Eastern Shore Sertoma Club has served Baldwin County and the Eastern Shore for over 40 years. In an effort to be true to our name (SERvice TO MAnkind), we host two charity events every year to raise money that gets donated right back into our community to help children in need.

Our Meetings

Anyone is welcome to join our group for lunch at The Bone & Barell in Fairhope on Tuesdays. Each week, we invite someone from our community to come speak to us so we can learn about their business or organization. Lunch is provided and the speaker only needs to plan to speak for 15-20 minutes.
