Lunch & Awards to Follow

**Leadership Baldwin County** is a program designed to identify current and potential leaders and enhance leadership in Baldwin County, Alabama. The program unites people from various areas of the county and addresses issues from a county-wide perspective. Leadership Baldwin County offers its members a broad range of experiences and insights about the county, its people, its needs, its services, its challenges, and opportunities.

Clays for A's is a service project through Leadership Baldwin County that supports students in Baldwin County Public Schools. The proceeds from this event will benefit **Palm Project**, an initiative through Baldwin County Education Coalition, to provide unmet needs for students. Palm Project provides items ranging from school supplies and clothing to hygiene products and food.

---

The format calls for teams of four to shoot a round of 100 targets each from 15 stations. Each person will shoot 6-8 targets at each station. At the conclusion of the round, the team with the highest number of hits will win the event.

Complimentary lunch and refreshments will be provided for every shooter. Awards will be handed out for the highest team score, the highest individual shooter score, and the most coveted award – the lowest individual shooter score.

Items will be up for raffle the day of the shoot, so come prepared to purchase tickets to win additional prizes.
