FLY HIGH GOOSE FOUNDATION

Adrian “Goose” Johnson was a fisherman, a hunter, an outdoorsman – a dirt road adventurer with a fearless free spirit and a love for the water, the woods and our wild world. On 1/19/2019, just a few months from college graduation, Goose was tragically killed in a car accident. He left this world too soon, but his family is determined to keep his memory and legacy alive.

The Mission is as Follows:
To inspire generations and enrich the lives of youth by demonstrating and supporting activities for those who love the outdoors. We give back to the community and surroundings areas to honor and respect the life of one who had a heart for service and helping others.
