

BUSHY CREEK - SANTA ROSA SKIRMISH

Shoot at Bushy Creek – May 16 or 17, 2026
Shoot at Santa Rosa – May 30 or 31, 2026

These two sporting clay events are sponsored by Bushy Creek Clays and Santa Rosa Shooting Center. Members and/or customers from both clubs are invited to shoot at both locations. Targets for these two shoots will be set so that shooters of all abilities will enjoy the fun targets.

One shoot will be at Bushy Creek, and the other shoot will be at Santa Rosa. This will be a competition between the two clubs. The winning club will be the one with the highest per shooter average for their team members. For your score to count in the team average you must shoot at both Bushy Creek and at Santa Rosa, each shooter will pick the club they will represent. If enough interest is shown, this event will become an annual event.

Lunch will be provided on the Saturday shoot, but not the Sunday shoot.

Cost to participate in each shoot with lunch will be \$75, for a lunch only \$20
